

# Sleep Clock

## TO MAKE YOUR SLEEP CLOCK YOU WILL NEED...

- 1 clock face
- 1 bedtime/wakeup dial
- 1 pair of scissors
- 1 split pin
- coloured pencils
- an adult nearby to help if you need them

STEP 1 cut around the outside of your bedtime/wakeup dial...

STEP 2 carefully cut out the sections with the symbol...

STEP 3 place the dial face up on the clock face and push the split pin through the centre dot of both circles...

STEP 4 fasten the split pin at the back so the dial can spin...

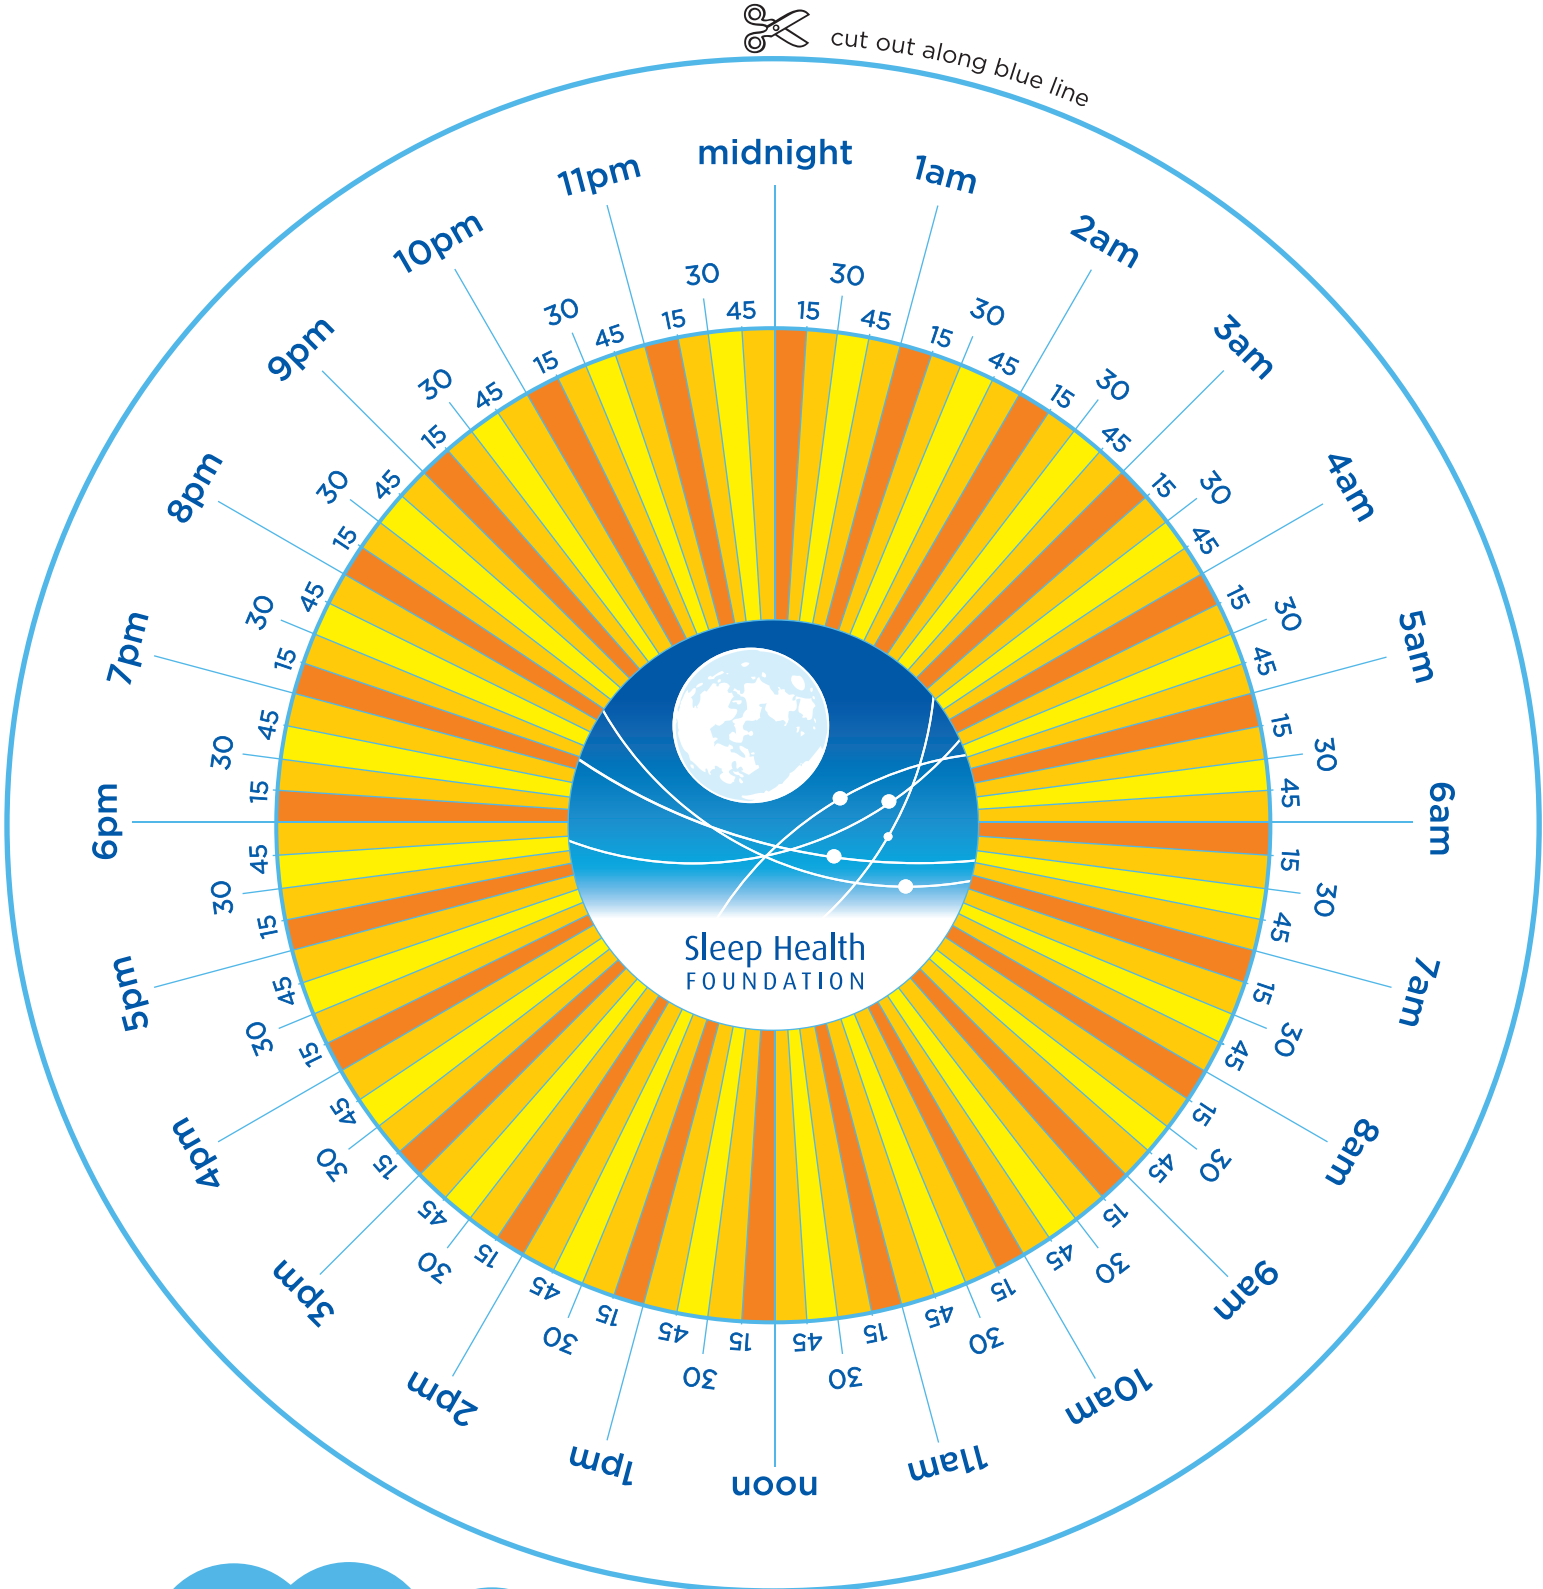

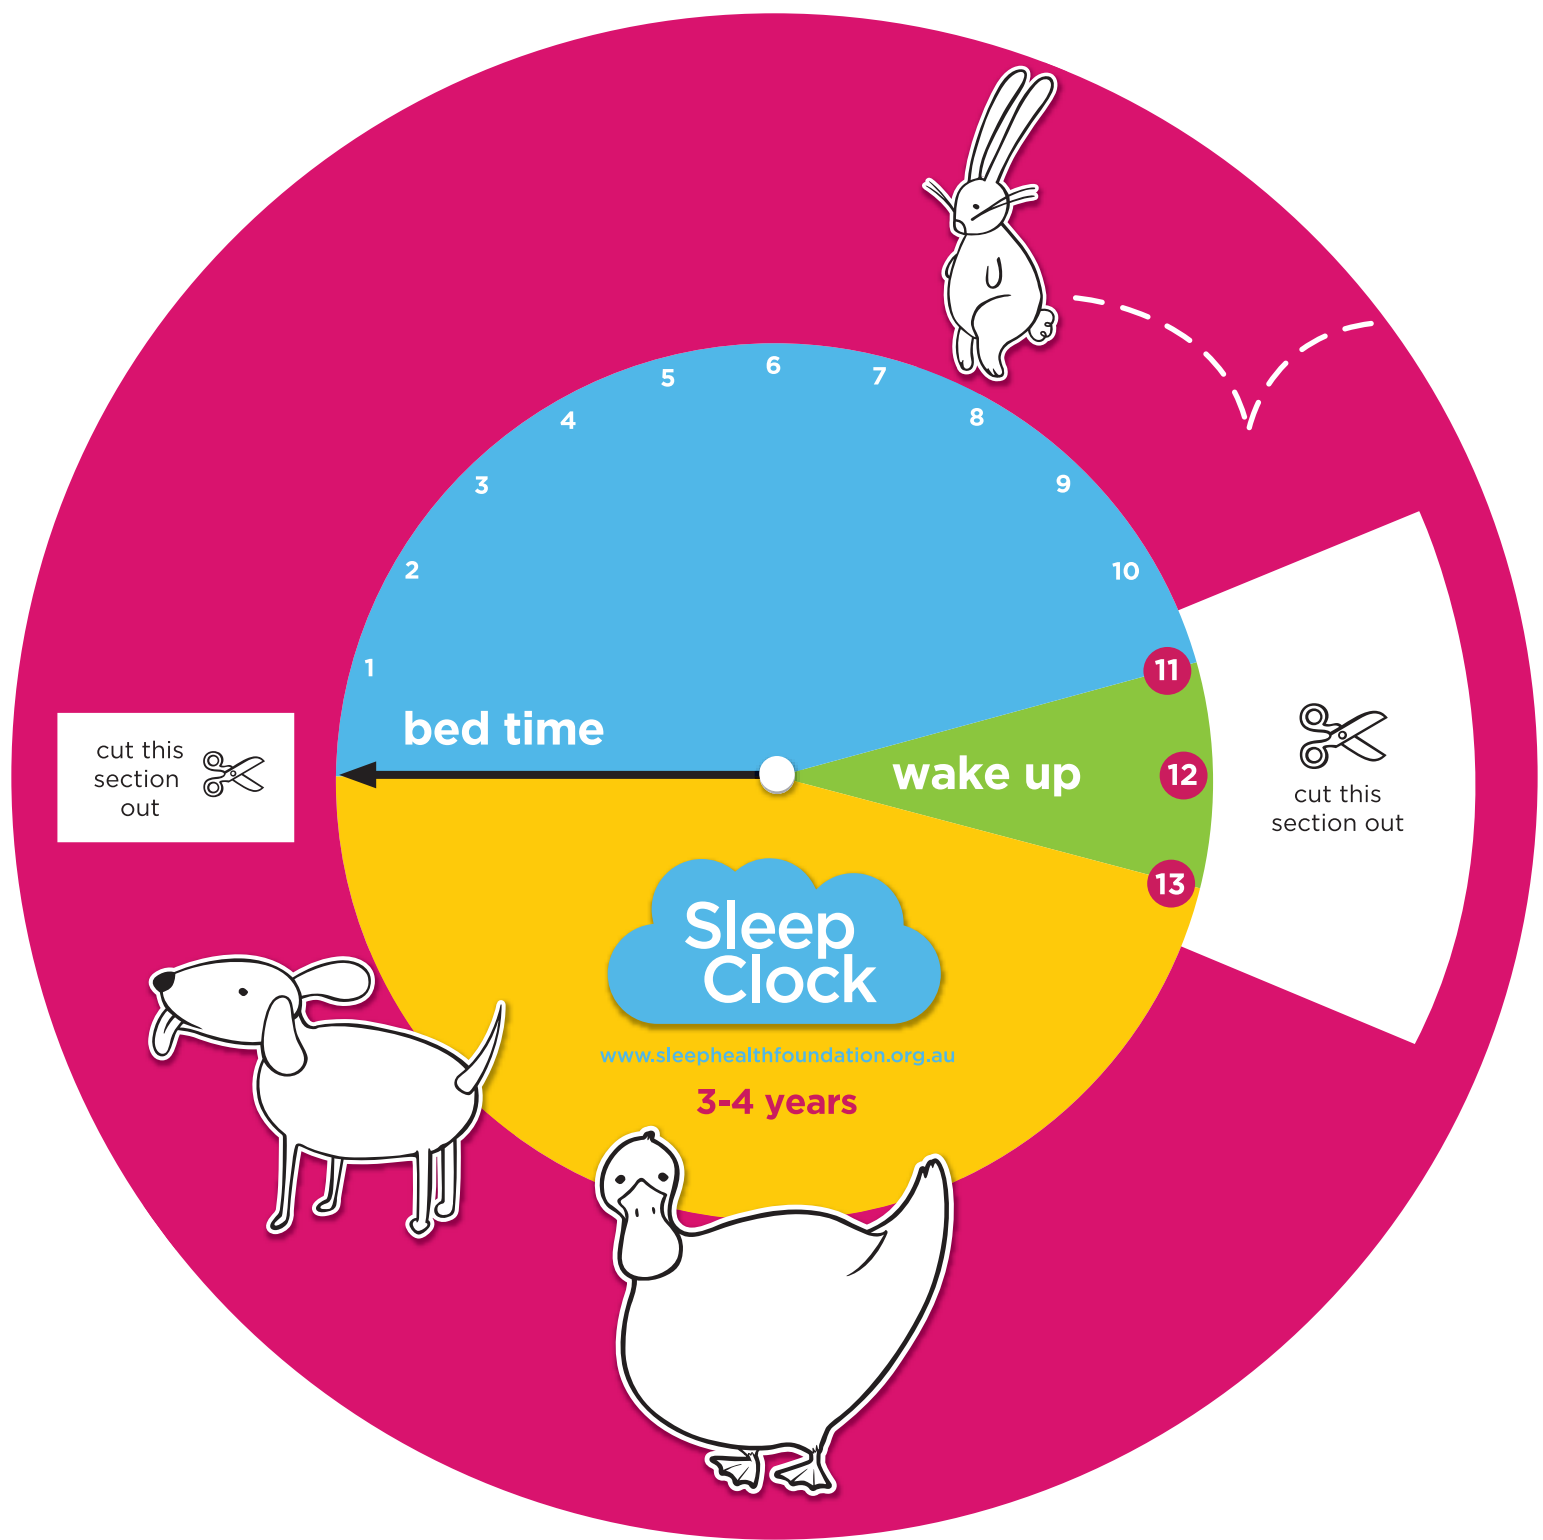

YOUR **Sleep Clock** IS READY!
